FACT SHEET: CTAA's Capital Solutions for Employment Transportation & Vanpool Providers

If you're looking to expand your current employment transportation or vanpool service—or to start a new vanpool program—CTAA can help. The Community Transportation Association of America (CTAA) is a recognized leader in providing the resources you need to succeed through expanded access to vehicles, training and technical assistance, consulting and communications. Whether you have a hundred vehicles or just one, we have a place for you.

CTAA membership benefits:

- Access to The VanPool Works, with resources and information designed for vanpool operators to make the development and expansion of vanpool services easy, affordable and sustainable.
- Access to vanpool driver safety awareness training – “Coaching the VanPool Driver” designed to incorporate concepts of defensive driving techniques that are beneficial to all drivers.
- Regular industry communications like CTAA's twice-monthly FastMail e-newsletter that will keep you current on industry news and trends. Also, you'll receive CTAA's digital Community Transportation magazine with feature-length articles about how vanpooling can and does enhance your system's public transit service.
- We can help you get the most cost-effective vehicles at the lowest prices with the best vehicle fleet program of its kind linked to high performance Toyota products like the Prius and Sienna as well as access to a family of accessible vehicles for passengers with special needs ranging from wheelchairs to stretcher carrier vehicles. Our fleet program includes Toyota Care to help lower your operating costs for all of our vehicles. With very tight federal assistance we're an important part of helping you meet your needs.
- Access to short- and long-term vehicle financing that rewards those with good credit history as well as helping those who are just starting out or need access to a full range support services that directly help with vehicles like our national insurance exchange and our fleet fueling programs.
- The ability to obtain a full range of discounted accredited training and educational programs that help you achieve the highest standards of quality services and provide ways to make your service the safest.
- Be part of a network of thousands of similar transportation providers who share valuable insights and experiences both at our annual Community Transportation EXPO conference and other networking opportunities.
