

The RAIL Podcast: Discussions with Napa Valley Wine Train, *Fast Trains* Author

Two new podcast discussions conducted by *RAIL* Editor Rich Sampson look into the Napa Valley Wine Train's new Grappa power car and advocating for high-speed rail with broader audiences.

First, Rich chats with Anthony Giaccio, CEO & CFO of the [Napa Valley Wine Train](#) about the railroad's innovative [Grappa Head-End Power Car](#). [Click here to listen to the podcast.](#)

Additionally, Emy Louie – author of [Fast Trains: America's High-Speed Rail Future](#) – joins Rich for a discussion on how high-speed rail advocates can broaden their message to appeal to a wider audience. Louie describes the approach in *Fast Trains*. [Click here to listen to the podcast.](#)
